Introduction to Quantum Information Processing QIC 710, CS 768, C&O 681, PHYS 767, AM 871

Projects: session preference form

Each session has time for four presentations. Ideally, we might schedule everyone within six sessions. The following twenty two slots are possible for the sessions.
Before exams: Dec 3, Dec 6 (AM or PM for each day).
During exams: Dec 9, 10, 11, 12, 16, 17, 18, 19, 20 (AM and PM for each day).

Please fill in this form with:
  1 for all sessions that are your *first* choice (if possible, check several)
  2 for all sessions slots that are your *second* choice (if possible, check several)
  3 for all sessions slots that are your *third* choice (if possible, check several)
